

# The eight flaws of the satanist doctrine

1- first of all, satanist are convinced they rely on pure logic only but they have no proof that, just like they deceive those who have less rank than them, Lucifer doesn't and won't deceive them. This means that, even though satanists pretend otherwise, they really rely on faith, just like members of any religion. How logic is that? How smart is that?

2- satanism allegedly mimics nature's survival of the fittest but survival of the fittest only applies to reproduction and is meant to maintain a species as strong as possible, not to allow that species to survive to the detriment of other species, let alone allow satanists to enjoy a number of privileges and be insanely wealthy when other people starve to death, like [9 million human beings](#) do every year.

3- those who are evil go to Hell, where they only stay for as long as their sins call for <sup>(\*)</sup> then they come back to the Earth plane <sup>(\*\*)</sup> until God gives up on them and destroys their soul in Gehenna <sup>(\*\*\*)</sup>, which is different from Hell and is like a spiritual incinerator while those who are good go to Heaven and have Eternal Life. This means that, even if survival of the fittest is understood as a species surviving at the detriment of other species, satanism fails to keep its promises since satanists are those who live for a limited time only while people who go to Heaven live forever.

<sup>(\*)</sup> all Christian institutions claim ALL sinners go to Hell for all Eternity, whatever the severity of their sin, but this just doesn't make any sense: God being Love, They won't send to Hell someone who "only" aborted just like, for example, Hitler who was responsible for the death of six million Jews. As a matter of fact, the only Bible verse who does say sinners all go to Hell of all Eternity is [Matthew 25:46](#). Now, in [Matthew 25:34-45](#), Jesus addresses groups of people, hence using the pronoun "You" but, Matthew 25:46 reads "*THEY will go away to eternal punishment*", which shows those words were not uttered by Jesus but by Matthew concluding Jesus' speech. The problem is, Matthew was wrong.

<sup>(\*\*)</sup> Even though Jesus didn't dwell on it, he did give a serious hint that, after a while, passed souls reincarnate, explaining John the Baptist was the reincarnation of Elijah ([Matthew 11:11-14](#); [Matthew 17:10-13](#)). [Luke 1:11-17](#) also recounts Archangel Gabriel's words to Zechariah, prophesying that John the Baptist would "*go on before the Lord, in the spirit and power of Elijah*". Just to be clear, John Baptist saying he is not Elijah in [John 1:19-21](#) doesn't contradict the fact that John the Baptist is Elijah's reincarnation: he is his reincarnation, e.g. the same soul, but not the same person. Reincarnation proves people don't stay in Hell for all Eternity but only for as long as their evil deeds call for.

<sup>(\*\*\*)</sup> [Matthew 10:28](#). In this verse, many Bible translations confuse Hell for Gehenna but the Greek word used in the original text is [γεέννη \(geennē\)](#) which obviously means Gehenna and which is [only found in this single verse](#). Matthew 10:28 alone hence gives no doubt that Hell and Gehenna are two different places but another verse further proves it: [Revelation 21:8](#) talks about the "fiery lake of burning sulfur" which gives "the second death", e.g. the death of the soul. Again, Hell is a place of suffering from which sinners eventually come out whereas Gehenna is like a spiritual incinerator.

4- Hell and Gehenna being two different places with two different purposes, there are no flames in Hell, at least not Hellwide, as satanists wrongly assume. Lucifer's promise to satanists that he will protect them from the flames in Hell therefore just doesn't make any sense.

5- satanist alleged spiritual enlightenment relies on drinking the blood of victims who have been abused and tortured during satanic ritual abuse ([Revelation 17:1-6](#); [Revelation 18:1-3](#)) but the psychotropic properties of the thus harvested blood are caused by the gift that, while creating them, God gave to human beings, namely and particularly a production of endorphins to counteract pain in case of injury. Now, those who go to Hell do not deserve that gift – which makes perfect sense since Hell was designed by God as a place for sinners to experience suffering – so even if they can practice satanic ritual abuse in Hell, satanists will not derive from drinking blood in Hell the effects they do derive from ingesting blood on the Earth plane. As a matter of fact, **satanists will not be able to escape suffering in Hell.**

6- for six thousand years, the Veda has been explaining that there are seven upper lokas (planes of existence) and seven lower lokas. Jesus was not that specific but did mention "*My Father's house has many rooms*" ([John 14:2](#)) and he also meant there are seven levels of Heaven and seven levels of Hell. This means the most evil satanists will go to the seventh level of Hell, which is the deepest and, even if they can torture someone there, it will only be those who were as evil as them, not, contrary to what they believe, those who, by their standards, didn't serve Lucifer as well as them. **The only people satanists could ever torture in Hell are their very brothers and sisters who had a similar devotion to Lucifer on the Earth plane!**

7- many people, most of whom are satanists because good people just wouldn't do that, market food items of bad quality just to make a little more money, thus scamming and potentially hurting everyone, including their very own brothers and sisters. This means satanists allegedly stick together but some of them have no shame in hurting their own kind. This in turn means it would be smarter of satanists to trust good people – particularly religious and spiritually minded people – rather than their own kind. As a matter of fact, I wouldn't be surprised if the filthy stubborn satanists who have been harassing me for years and who take pride in knowing everything I do, say and write, hence knowing damn well everything I explain in this pdf document, never bothered to inform their very brothers and sisters, thus depriving them of their free will and seriously deceiving them when they should have informed them of the many flaws I found in their doctrine and allowed them to make their own mind as soon as I started using some of the above arguments, e.g. months ago.

8- satanists who haven't completely shut down their sensitivity cope with their guilt by convincing themselves the children and babies they torture go to Heaven thanks to them. This is at least what a bunch of evil liars tell them. High ranked satanists thus convince themselves they are doing those they rape and torture a favor by ridding them of any bad karma they might have left. I wonder how many of those hypocrites would like to go to Heaven for that price, especially when so many of them seem to believe they can get away with all the blood they have on their hands with a simple "sorry" but that is beside the point. The point is no one goes to Heaven for being tortured. No one even goes to Heaven for **doing** good, let alone for having no bad karma left, but for **being** good, which requires a complete inner transformation, called "baptism in the Holy Spirit" in the Bible ([John 3:5](#)), "moksha" in the Veda and "spiritual awakening" in nowadays spirituality. Now, being tortured doesn't make anyone good! Being tortured doesn't give access to spiritual awakening! If being tortured was a way to grow spiritually, vets who went to Vietnam or Afghanistan would be known, to be wise and zen when they really are known to be prone to severe PTSD! At best, being rid of all bad karma would make someone

come back to Earth with only good karma but, first of all, being tortured is only one kind of bad karma, which means other kinds of karma can still come back, for example being robbed or cheated on by the love of one's life or failing professionally and, second of all, people who have been severely abused or tortured are deeply scarred at a subtle level and will reincarnate with severe anger, depression, fear and / or serious mental health problems. Torture doesn't send anyone to Heaven! Satanists who have enough conscience left to feel guilty should therefore do everything they can to redeem their soul for saying "Oops! I'm sorry" just won't do the trick. Christian institutions, who are all controlled by Satanists and who lie because they don't want Christians to go to Heaven pretend Jesus died on the cross to redeem all Christians' sins but this is a big fat lie. Proof is, the Bible Book of Revelation was written around 50 years after Jesus' crucifixion yet, talking about Babylon, e.g. Satanism, it reads "*Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues; for her sins are piled up to heaven, and God has remembered her crimes*" ([Revelation 18:4-5](#)) which means that requesting forgiveness while keeping doing one's Satanist hierarchy's bidding or keeping enjoying the fruits derived from serving Mammon – another name for Lucifer meaning "money" ([Matthew 6:24](#); [Luke 16:13](#)) – e.g. wealth and social position, just won't do the trick. **Satanists who want to redeem their soul must first of all give up any social position and wealth they gained by serving Lucifer and, second of all, they must compensate for all the time they enjoyed those corruption derived fruits. Is it that hard to understand that being a Satanist for 50 years is 50 times worse than being a Satanist for one year and that the longer Satanists wait, the more difficult it will be for them to avoid going to Hell?**

I therefore urge all high ranked Satanist to see for themselves how flawed their doctrine is and to step up to the plate as soon as possible and do everything they can to avoid going to Hell or, at least, go to Hell for as briefly as possible. Giving up practicing spiritual abuse, giving up ingesting blood plus informing their "brothers" and "sisters" of the terrible mistake there are making would be a good start. Supporting my service to Jesus, particularly creating a charity that, contrary to all alleged charities, won't steal money<sup>(\*)</sup>, making it easy for redemption seeking Satanists to donate most of their wealth to help the poor ([Matthew 19:24](#) = [Mark 10:25](#) = [Luke 18:25](#); [Matthew 19:21](#) = [Mark 10:21](#)) is also essential for any high ranked Satanist who doesn't want to go to Hell, knowing the Book of Revelation was written at least 50 years after Jesus' crucifixion and yet, in its verses, God still denounces Satanic ritual abuse ([Revelation 17:1-6](#); [Revelation 18:1-3](#)) and still enjoins Christians to "*come out of her*" [Babylon / Satanism] ([Revelation 18:4](#)), which means that simply begging for forgiveness on the pretext that Jesus died to redeem the sins of Christians certainly won't be enough. Satanists who do not want to go to Hell must first of all sever all ties with Satanism and, second of all, produce fruits worthy of repentance, just like John the Baptist requested, the Pharisees, who were their Satanist ancestors ([John 8:44](#)) to do ([Matthew 3:7-9](#); [Luke 3:7-8](#)).

(\*) Jesus, whom I met in Heaven during a Near Death Experience, told me all alleged charities are controlled by satanists and steal money. This means giving one's money to charities doesn't come down to give it to the poor. Satanists must either give their wealth directly to the poor or to the charity I want to have created to serve Jesus because satanists will never be able to infiltrate let alone control this charity since its founders and members will all have to be approved by Jesus via being empowered to lay hands in his name, which I alone can check anyone really was. I also have another idea that would allow us to serve Jesus and help the poor without creating a charity. I suggest high ranked satanists who want to avoid going to Hell – and, if they do well enough, even have a shot at going to Heaven – to promise to Jesus they will never lie to me or hurt me or wrong me in anyway and they will never help anyone lie to me or hurt me or wrong me in anyway plus they will do their best to serve him as per my instructions then request him to empower them to lay hands in his name during a silent gathering I facilitate every Sunday, as announced on my [French website](#). If Jesus empowers you to lay hands – which he will allow you to do on yourself only – you must visit me at my place (Stephane Pautrot – 4 rue de Souers – Left maroon house – 65100 Aspin-en-Lavedan – France) on the next third Saturday of the month between 2pm and 2:30pm sharp, [Paris time](#). After knocking at my door, please allow a couple of minutes for me to respond. Because I have been drugged, abused and tortured many times – as satanist always do authentic disciple of Christ ([Luke 11:49](#); [Luke 13:34](#); [Matthew 23:27-37](#)) – and I received many death threats plus threats to blind the only eye satanists didn't already blind by threatening to burn it with a lit cigarette, I will only open my door to people who have been empowered to lay hands by Jesus by my intercession.

## A word to satanists of the lower ranks

I now want address satanists of the lower ranks who think of themselves as religious or spiritually minded. A woman of the 13<sup>th</sup> or 14<sup>th</sup> degree once told me she was born in a satanist family and she was a consequence a satanist by birth, marked as a satanist, and there was nothing she could do about it. I therefore want to stress out that **what matters is never to do what your satanist hierarchy requests you to do**. You must choose to opt out once and for all and act as a non satanist would, which implies never to obey your former hierarchy in any way, even if what you are requested to do or even say seems harmless. Several satanists of the lower degrees told me things that were death threats or threats to blind me in the higher ranked satanist language. Those people had no idea they were relaying death threats or threats to blind me but they were. In two different occasions, a satanist of the 13<sup>th</sup> or 14<sup>th</sup> degree came and see me after painting her nails in two very unusual colors. She probably was requested to paint her nails using a polish of those colors and she probably had no idea what it meant but I did and it deceived me in a way that had way more importance that she could imagine. Also, in a few occasions, people came and knock on my door in the middle of the night. If they were satanists of the lower ranks and they were requested to do so by their hierarchy, they might have thought that waking me up in the middle of the night was not that big of a deal but let's say 50 satanists are requested to knock on someone's door so they would be woken up ten times a night from Monday to Friday. That person would be so exhausted by the end of the week that they could serious professional mistakes causing them to be fired or they could be involved in a serious car accident, being severely hurt or killed and seriously injuring or killing other people. My point is, you don't have the bigger picture that high ranked satanists do and you have no idea of what they are involving you into so there is no doing a small meaningless favor to people who are evil and cruel enough as to rape and torture children during satanic ritual abuse. You either side with those people or you don't. You are either the accomplice of those psychopaths or you are not. This is why, again, God says *"Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues"* ([Revelation 18:4](#)) and this means that **if you are serious about your religious or spiritual practice, you must opt out once and for all then you must purely and simply never say or do anything your former hierarchy could possibly request you to do or even say**. Will you risk losing some of the privileges you derived from your obedience? You might, but this is a price you will have to pay if you want to access spiritual awakening / go to Heaven. Will you risk being punished? You might but this is why Jesus warned *"Do not be afraid of those who kill the body but cannot kill the soul. Rather, be afraid of the One who can destroy both soul and body in Gehenna"* ([Matthew 10:28](#)) and *"Whoever does not take up their cross and follow me is not worthy of me"* ([Matthew 10:38](#)). More importantly, Jesus warned no one who would side with high rank satanists would go to Heaven: *"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father who is in Heaven. Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?' Then I will tell them plainly, 'I never knew you. Away from me, you evildoers!'"* ([Matthew 7:21-23](#)) and it doesn't require being a genius to understand no one does the will of the Father by being an accomplice to people who rape and torture children! This is why I urge all religious or spiritually minded satanists, whatever they rank, never to say or do anything another satanist requests them to do. Please understand being humble doesn't mean going against one's conscience! We can only do the will of God by "obeying" our own conscience, which can be taught but not decreed and which doesn't derive from an intellectual understanding but from an efficient spiritual practice.

**I facilitate weekly silent gatherings in Christ's peace and give those who join them an opportunity to request Jesus to empower them to lay hands in his name on my French website : [stephanepautrot.fr](http://stephanepautrot.fr)**

Christ's peace experienced during those silent gatherings plus the pleasant sense of relaxation felt when laying hands on oneself are the fruits by which Jesus explained we would make the difference between spiritual teachers who really teach in his name ([Matthew 7:15-20](#)) and hoards of arrogant – often alleged – Christians who were not empowered by Jesus to teach in his name and who do not even understand the Bible because, contrary to what he did and he still does to authentic disciples, Jesus didn't "open their minds so they could understand the Scriptures" ([Luke 24:45](#)). If you are one of those Christians who are active online and you want to serve Jesus, remember no one is supposed to teach in his name unless they have been baptized in the Holy Spirit ([Acts 1:4-8](#)), which is such a profound and dramatic inner transformation that it cannot be missed or mistaken for a simple moment of peace. Actually, people who attend the silent gatherings in Christ's peace I facilitate can experience those precious moments of peace every Sunday whereas baptism in the Holy Spirit can only be received once in a lifetime so the first thing to do if you want to serve Jesus on Internet is never to interpret his words, only relay them, and refer your visitors and followers to someone who was sent by Jesus to teach in his name and who, as a consequence, doesn't only talk but allows Jesus to deliver the fruit of peace by their intercession.

If you cannot see my English and French websites,  
it is because the satanist pirates who are on my back and who are doing everything they can to silence me are hiding it. This is why, in this pdf file, I told you everything you need to know if you are a satanist and you want to avoid going to Hell and, depending on who you are plus how much you are willing to do to redeem your soul, possibly even go to Heaven.

**Anyone who will pledge to Jesus to do their best to serve him as per my instructions  
is free to stop doing so and go their own way whenever they like.**

Now, since all of them kept frowning on what I was offering them for free, only the high ranked satanist who could have put an end to the censorship plus constant harassment I am being put through will be empowered to laying of hands and it will be **in the sole intent of proving they have been approved by Jesus to serve him alongside me** and they haven't been dis-empowered for failing to abide by their promise to Jesus. Contrary to my regular students, they will as consequence only be able to lay hands on me and they will never be able to lay hands on themselves.

### **December 21<sup>st</sup>, 2024 update:**

**Since, despite my many requests over way over a year, a bunch of bastards are still on my back, censoring me and harassing me day in day out on a daily basis, making me unable to teach and serve Jesus, any person who said they would stop them but failed to do so is excluded once and for all (Matthew 12:31; Mark 3:29; Luke 12:10; Matthew 10:11-15). Now, if they want to cut down on their Hell sentence, they would be well inspired to use their power to protect other spiritual teachers who might be treated the way I am plus to help the poor who didn't sell their soul to Lucifer. Any other person who has the power to stop them and who will want to redeem their soul will, in addition to the other necessary pledges, have to pledge to Jesus they will make sure anyone who censored any part of my websites or who prevented me to communicate in any way or who harassed me in any way via the Internet over the past five years or who will do so from now on will be prevented from causing similar trouble to anyone, be it me or anyone else. Since I have been assaulted in my very street, like a hundred meters from my house on my way to cast my garbage, they will also have to pledge to Jesus they will ensure my protection 24/7. Jesus will only empower someone who will sincerely mean they will do as they pledged as quickly as possible. As soon as they abide by their pledges, that person won't be dis-empowered but, if they fail to abide by their pledge, they will be dis-empowered from laying hands in the name of Jesus plus they will be excluded from receiving my help or Jesus' help, be it by my intercession or anyone else's (Matthew 12:31; Mark 3:29; Luke 12:10).**
